The main area of Alam sub-district, northeast of Tikrit, was declared retaken from ISIS by the ISF, Iraqi Shi'a militias, and local Iraqi Sunni fighters on March 9, 2015. Since then, there have been no reports of clashes in the area to suggest a continued presence of ISIS or a concrete effort by ISIS to retake Alam from the control of the combined forces. ISW is therefore changing the status of Alam from ISIS controlled to ISF controlled.
